Nowadays life is becoming more and more stressful. People live under the pressure of various problems social, emotional, mental and others. They constantly suffer from stress, noise and dust in big cities. In order to overcome all difficulties ,a person should be strong and healthy, take care of physical and mental health. There are several ways to do that. Sport is one of the first importance. Nowadays different kinds of sports become more accessible for people. The healthiest kind of sports are climbing, jogging and yoga. The daily menu includes meat, fruits, vegetables and milk products. Fruits and vegetables contain different vitamins and give us energy. I prefer milk to coffee, seafood to meat, vegetables soup to fatty food. People go on a diet especially women.
