۳/۵	<p>متن زیر را بخوانید و به سوالات داده شده هر قسمت پاسخ دهید.</p> <p>Language is a system of communication. It uses written and spoken forms. People use it to communicate with each other in a society. They exchange knowledge, beliefs, wishes, and feelings through it.</p> <p>Languages vary greatly from region to region. They are so different that a person may not understand the language of someone from another region, country or continent. It is not surprising to hear that today about 7000 languages exist in the world. There are more than 2000 languages in Africa, 1000 in the Americas, more than 2250 in Asia, about 230 in Europe, and more than 1300 in Oceania.</p> <p>Native speakers of these languages range in number from very large, with hundreds of millions of speakers, to very small, with fewer than 10 speakers. The most popular language in the world is Chinese. More than one billion people in the world speak Chinese.</p> <p>Interestingly, English has fewer native speakers than Chinese, but there are about one billion learners of English all around the world. They learn English as an international language.</p> <p>True or False</p> <p>51. Chinese is the language with more than one billion learners. A) True B) False</p> <p>52. A) An effective way to enjoy a better lifestyle is having healthy relationships with others. Recent research has shown that a good social life decreases the risk of death. Sadly, some people do not visit their relatives very often these days. They are really busy with their work and usually use technology to communicate.

B) Bad habits and addiction can be harmful to health. One day of smoking can take around 5 hours away from the smoker's life. Addiction to technology such as using computers for a long time is also dangerous.

C) Above all, the most ***important*** thing to enjoy a good life is having emotional health. Praying decreases stress and gives people a calm life. People with this lifestyle have had a better life.

D) There are many other things people can do to live healthier and longer. The key point, however, is having a plan for the way they want to live and take care of their physical and emotional health.
